

In 2016 the Cascade Lion's Club used proceeds from the Cascade66 to install a 35' commercial flag pole and Veteran's Memorial in Cascade's Atkinson Park. A 6' x 10' Flag was ceremoniously paraded through the park and raised for the very first time on the 4th of July, 2016. The ceremony included Veterans from all four branches of the armed forces spanning nearly 75 years of service. In addition to supporting International Lion's Club goals and charities, the Cascade Lion's Club strives to improve our community through good works such as civic improvements, support of our local library and to provide eye glasses for less fortunate in our community. Your participation in the Cascade66 supports these efforts and we sincerely thank you.
